**Mineral Inventory****Deposit Types**

| observed deposit type             | normalized id             |
|-----------------------------------|---------------------------|
| Ni-Cu-Co-PGE massive sulphide     | Vein ± replacement nickel |
| Magmatic Cu-Ni massive sulphide   | Vein ± replacement nickel |
| Besshi-style massive sulphide     | None                      |
| Tholeiitic intrusion-hosted Ni-Cu | Vein ± replacement nickel |
| SKARN                             | None                      |
